

El Bueno Melodija

Ref. 2x

Kakva je stvar ova melodija
u telu eksplozija
kao od ekstazija
oseti ples, znas da kasno je vec

Cause you only make it, when you
take it, break it, shake it

I don't wanna take it nor
i wanna break it
you don't know what is at steak
so don't make no mistake
i know your model and make
just give me a break
i am not the one that's fake

Nisam hteo da ti kazem
da te volim da te lazem
zadnje vreme ja sam trazem
poruke na insta slazem

Tebi treba krimos kvazi
da na status se odrizi
ako neces da te pazim
bicu tvoj ja kamikazi

Ref. 2x

Meni treba neko
da me non stop samo pazi

ma pusti sve te price
nocas ajde samo gazi, gazi
