Don't Ever Cry

Tisuće snova dalekih
ruža u srcima zaspalih
leptira tisuće sarenih
ko duše nevini

Osamnaest godina moga Ivana
moli za njega, pjesmo anđela

Ref. 2x

Don't ever cry, don't ever cry
never say goodbye, never say goodbye

Mir daj nam ti, daj nam ti
nebo ljubavi, nebo ljubavi
mir daj nam ti, mir daj nam ti
nebo ljubavi, nebo ljubavi

Ref. 2x

Don't ever cry, my Croatian sky
